1 (Note)

Other than infobase titles and initial headings, text highlighted in color usually represents a link point to a related item that can be accessed by double-clicking the left mouse button anywhere in the colored text area. **Blue highlighting** brings up a linked object (graphic) or scanned image of a document or picture. **Red highlighting** brings up a jump link to another area of text in the infobase or to a specific point in a related but different infobase. **Violet highlighting** brings up a pop-up box of explanatory material. **BOLD BLUE HIGHLIGHTING** usually brings up another program or takes you to another infobase.

Click [HERE for Quick Help and instructions](#) on how to use this FOLIO VIEWS program that is located in the Appendix of another infobase.

Use the icon  with the word "Contents" in the tool bar at the top of the screen to access the hyperlinked Table of Contents of this infobase.
